

Expression of Interest for Coaches/Managers for Valley Teams for one Anstey/La Frantz Cup side (u/14), one Ray Weier Cup side (u/15) and one Shane Watson Cup side (u/16)

Valley District Cricket Club has decided to enter a side in each of these competitions, as it is our aim to provide as many opportunities for our cricketers as possible. These competitions allow for further development of our junior cricketers and are in keeping with our focus of a “juniors to seniors pathway”.

Anstey/LaFrantz Cup game days

Sunday 31 Oct	Round 1
Sunday 7 Nov	Round 2
Sunday 14 Nov	Round 3
Sunday 6 Feb	Round 4
Sunday 20 Feb	Round 5

Ray Weier Cup and Shane Watson game days:

Sunday 10 Oct	Round 1
Sunday 17 Oct	Round 2
Sunday 24 Oct	Round 3
Sunday 31 Oct	Round 4
Sunday 7 Nov	Round 5

Should the Ray Weier or Shane Watson teams qualify, the final will be on the 14th of November. Please find attached the draws. It is assumed that “TBA by Valley”, where Valley is listed as the Home Team, means that those games will be played at Valley District Cricket Club. Other games will be played at the home team’s venue. No venue draw is available for the ALF Cup at this point.

A total of 12 players may bat for each team and 11 wickets will constitute an innings. The games are 110 overs in length and will be played from 9:00am to 4:30pm. As many of these the players involved in these cup sides will have very large demands on their available time, it is envisaged that there will not be formal coaching/net sessions for these teams. An appropriate and efficient idea used last year was for the team selected to have a pre game meeting that would discuss game day tactics (approx 1 hour). This will be at the coach’s discretion. Game day is about making sure the team is organised and ready to play.

Please note that is entirely possible and encouraged that these coaching and managing roles could be shared among several interested parties. In this way the task becomes less onerous thereby extending the opportunity for people to be involved. So if you can’t do all the rounds, but you may be able to do some, please let us know. Please help us to make this happen. Your support is appreciated.
