

## STAFF & STAKEHOLDER PROJECT UPDATE

February 2020

The development of the National Cricket Campus will integrate the existing Bupa National Cricket Centre (NCC), Allan Border Field Precinct and Northern Suburbs Districts Cricket Club (Norths) Shaw Road facilities to develop the world's best cricket training and community.

Allan Border Field will be redeveloped into a hub for international female cricket, domestic first-class cricket, and outdoor high-performance programs. Facilities at Norths will be developed to provide additional high-performance facilities for our national teams and programs, and, facilitate growth in junior participation across community cricket.

The nationally significant Campus will create a fully integrated indoor and outdoor training and playing facility that will be utilised across all our male, female, all-abilities and indigenous teams, and become the premier venue to host national and state age championships, international youth and female matches in all formats.
